

SPEAKER BARRETT: Thank you.

SENATOR WESELY: I think it's a unanimous consent effort.

SPEAKER BARRETT: The question is the Wesely motion to bracket the bill. All in favor vote aye, opposed nay. Have you all voted? Please record.

CLERK: 29 ayes, 1 nay, Mr. President, on the motion to bracket the bill until March 10.

SPEAKER BARRETT: The bill is bracketed to March 10th. Anything to read in, Mr. Clerk?

CLERK: Mr. President, I do, thank you. Your Committee on Government, Military and Veterans Affairs, whose Chairman is Senator Baack, to whom was referred LB 1219, instructs me to report the same back to the Legislature with the recommendation that it be advanced to General File; and LB 1098 indefinitely postponed. Those are signed by Senator Baack.

Senator Abboud has amendments to LB 1012; Senator Withem to LB 940 to be printed, Mr. President. (See pages 1013-17 of the Legislative Journal.) And that's all that I have.

So would you please welcome them here this morning. You will notice that we have a lady with the group and she has been and is now a Mayor of one of the cities, which is I guess advancement such as we have in the United States and they have several women in their congressional delegation also. They have a one-house Legislature similar to ours and it is a one-party Legislature, not Republican and Democrat or anything of that nature, but they have one party in
